

The background of the entire page is an abstract, high-energy composition of numerous thin, overlapping lines and streaks in vibrant red and cyan/blue colors. These lines are set against a solid black background, creating a sense of motion and depth. The lines vary in thickness and orientation, some appearing as sharp, straight paths while others are more blurred and curved.

CUSTOM PRINT & SIGNAGE SOLUTIONS

WHAT WE PROVIDE

- SPEED**

We understand tight timelines. Our in-house print signage capabilities allows us to provide quality products with a quick turnaround, even same-day or less if required.
- MATERIAL**

Adhesive vinyl, foam, plastic, wood, metal - we do it all! Paired with our extensive list of machinery and expert craftspeople, we can cater to your project needs and handle anything from a single printed banner to large custom projects.
- QUALITY**

Scene Ideas provides exceptional customer service under any circumstance. We always ensure attention to detail in both design and execution of all projects we deliver.
- GRAPHIC DESIGN**

Our graphic design team can help with the creative development of large-format print file to ensure the success of your project
- INSTALLATION**

If required, our team of professionally trained craftspeople can provide flawless installation to create the greatest impact for your project. Just let us know when and where and we will be there!

WHAT WE USE

Our 64” large-format printer, cutter and cold laminator can produce graphics for a wide range of applications including:

Adhesive vinyl	Grommated banners	Stencils
Custom cut vinyl	Scrim banners	Backlit signs
Floor and window vinyl	Roll-up banners	Heat transfer materials
Posters	Dimensional lettering	Vehicle wraps
Laminates	Magnetic decals	Backdrops

Utilizing our 5’ x 10’ CNC router, we can seamlessly cut any printed profile as well as cut printed fabric and graphics for custom scenic builds. Our RollsRoller flatbed applicator also allows us to apply graphics to rigid substrates

HP Latex 335 Printer

Rover Plast J FT 1530

Trotec Speedy 400 Laser Engraver

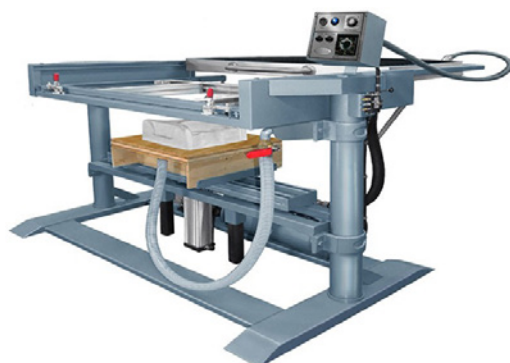

RollsRoller Flatbed Applicator

HP Latex 64 Cutter

Royal Sovereign RSC-1402CW Cold Roll Laminator

Belovac BV C Class Vacuum Forming Machine

The background is a complex, abstract composition of numerous overlapping, wavy, and streaked lines. The primary colors are a vibrant red and a deep teal or blue, set against a dark, almost black, background. The lines vary in thickness and orientation, creating a sense of dynamic movement and depth. In the center of the image, the text 'WWW.SCENEIDEAS.CA' is displayed in a clean, white, sans-serif font.
